

Inclement Weather Policy

Sunrise Girls Softball (SGS) makes every effort to play all scheduled games and hold all practices when conditions are safe. However, weather may sometimes create unsafe playing conditions.

The decision to cancel or postpone games or practices due to weather will be made by the President, Vice President, or a League Representative designated by them. Field conditions will be evaluated as close to game or practice time as reasonably possible. Coaches may **not** cancel games or practices without authorization from the SGS Board of Directors.

Games may also be canceled at the field by league officials or on-field officials if conditions become unsafe.

SGS will attempt to play all scheduled games. Due to field availability and time constraints, makeup games cannot be guaranteed, but every effort will be made to reschedule canceled games.

Weather updates, field conditions, and game status will be posted on the SGS website and Facebook page:

- **Weekday Practices/ games:** Updates will be posted by **3:30 PM**
- **Weekend games:** Updates will be posted at least **30 minutes before game time**

Parents are encouraged to check the website or Facebook page up to 30 minutes before heading to the fields, as conditions may change. If no cancellation or postponement is posted, games and practices should be assumed to be on as scheduled.

SGS does not cancel away games but will coordinate with the host league to determine game status.
